

TECH ELEVEN WILL PLAY EASTERN TODAY

Jack Easter Believes Weight Will Tell on Capitol Hill.

By JACK EASTER.
(Capt. of Tech High Football Team.)

Tech High, last year's champion, will make its first appearance against Eastern today at American League Park at 3:15 in the local choloistic series.

Tech will out-weight its lighter opponent. We will average around 155 while Eastern will probably tip the scales around 135 or 140.

Although making no predictions as to the score, I do predict that with a bunch of scrappy players we should come away with the long end of the score, although Eastern, who tips the scales over a bunch of scrappy players may slip something over on us.

In Captain Cummings, Eastern has a half-back of more than ordinary ability, while "Gabby" Newton is a fine running mate for him. Cummings is a fine running mate for him.

In "Little" Thomas, Eastern will present the smallest player in the series, tipping the scale at less than 115 pounds, but from reports from Capitol Hill he is holding down quarter in great shape. "Horn" Guernsey, who is holding down the same job for Tech is another midget quarter.

We will probably have the largest set of tackles in the series in "Johnny" Barnes, who tips the scales over 190 and "Big" Brodick, who tips the scales above 190 pounds.

If I don't miss my guess we will show the best full-back in the series in "Snitz" Snyder who tips the scale over 170 and is one of the fastest men on the team.

We will enter the fray with five letter men in the line-up in Barnes, Snyder, Guernsey, Myers and myself. "Red" Bosley, "Mike" Parker, "Clay" Brodick, "Arpenter" and "Hodge" are making their first appearance in High School football.

Eastern has four last year's men to start the game in Capt. Cummings, Spear, Boldwin and "Gabby" Newman. Dunn, Rockwell, Burns, Menckert, Littlefield, Thomas, and Walsh are making their first appearance as regulars. The probable line-up:

TECH.	Position.	EASTERN.
Bosley	Line	Dunn
Barnes	Line	Guernsey
Easter	Line	Barnes
Parker	Line	Myers
Brodick	Line	Newton
Arpenter	Line	Snyder
Hodge	Line	Thomas
Myers	Line	Walsh
Snyder	Line	Walsh

TURNER TO ASSIST COACH HATCHETTES

Milton "Bumps" Turner, the former tackle of the A. and M. of North Carolina and at present athletic director of the Mohawk Athletic Club, was yesterday named an assistant coach of the George Washington University eleven.

Three new players reported for the team yesterday. Kelly, Stein and Paul Chell, the former Eastern High School star, were the new candidates to report.

Coach Sullivan is pointing the team for the Hopkins games Saturday. Punting ball has been a big burden to the team all year, but Coach Sullivan has corrected this fault to a large extent.

The entire squad is in good shape with the exception of Pulback Mims, who is no doubt out of the game for the rest of the year with water on the knee. The same team that started last Saturday will face Hopkins at Homewood Saturday.

There is no charge in any of these cases that the player received any remuneration for his services, but Cornell's rule is stringent. It declares that a man has violated the eligibility code if he plays on other than a college team in a game in which admission is charged. Clary, Valentine and Wolford played as members of the fire company team in local amateur league last Summer and the admission fee was 25 cents.

S. A. CROSS COUNTRY RACE BOOKED NOV. 11

Coaches of the various South Atlantic collegiate track teams are working overtime on their cross-country squads in an effort to have them in shape for the annual championship run which will be held on November 11 at Brookland. It is planned to have the finish of the big race take place on the Brookland track, which is the home of the Maryland State-Catholic University football game.

The cross-country run will be over the Catholic University course of five and one-half miles. Starting at the Catholic University field, the course is run through Soldiers' Home down by the reservoir and filtration plant and returning to Catholic University.

WALTER R. TUCKERMAN OUT OF TOURNAMENT

Loses Chance for Permanent Possession of Siamese Cup.

Samuel Dalsell put Walter R. Tuckerman out of the running for the "Siamese Cup" yesterday afternoon, when the second round of the tournament was played on the Chevy Chase course.

Tuckerman, who has won the trophy this year would have made the trophy his permanent property, but he was out of form and beaten rather badly, 5 up and 4.

The best match of the day was that between J. Donald Cassels and T. N. McAbey. They were all even at the end of the eighteen holes, and match went six extra holes before Cassels was declared the winner, 2 up.

The third round will be played today with the semi-finals and finals on tomorrow's card. The summaries:

Second round—T. A. Clavay defeated A. B. Duvall, 5 up and 3; Donald Cassels defeated T. N. McAbey, 5 up and 4; John A. McEllenney defeated John H. Clapp, 1 up; W. B. Mason defeated J. H. de Shour, by default; Samuel Dalsell defeated Walter R. Tuckerman, 5 up and 4; Julian T. Bishop drew a bye; H. R. Dunlop, Jr. defeated R. W. Hodge, 5 up and 4; G. Thomas Dunlop defeated Merrill E. Gates, 4 up and 3.

The pairings for today: Third round—Clavay vs. Cassels, McEllenney vs. Mason, Dalsell vs. Bishop, Dunlop vs. Dunlop.

BIG COLLEGES PLAN REAL TENNIS LEAGUE

New York, Oct. 26.—The tennis slogan of "more competition" is to make itself felt among the colleges next spring. Where tennis and desultory matches have been played in the past, a definite league is to be organized with a schedule whose results will determine the exact college standing.

Harvard is at present awarded the palm among the tennis-playing colleges, owing to her clean sweep in the year's individual tournament. But whereas two stars are sufficient to win the individual singles and doubles, a higher average of ability will be brought out by the new system of team matches.

F. W. Hopkins, of Yale, secretary, describes the plan in these words: "The league embraces Yale, Harvard, Princeton, Pennsylvania and Cornell. Each team will play each other team in the league a match of at least four men, four singles and two doubles; if possible, a six-man match will be played. These matches will be played in the spring of the year, and an intercollegiate league championship banner will be awarded the leading team at the end of the season."

The league will be under the auspices of the Intercollegiate Tennis Association and will have the captains of the league as an executive committee. It is believed that the league matches will increase the collegiate interest in tennis and give a definite purpose to the spring matches.

Officers for the coming year are: President, Sydney Thayer, Jr., vice-president, W. Blair, Cornell; secretary, F. W. Hopkins, Yale; treasurer, Leonard Beckman, Princeton.

College Park, Md., Oct. 26.—Despite its grueling game with Virginia Military Institute Saturday, the Maryland State College squad was put through a hard and long workout on college grounds yesterday by Coach Byrd. The Aggies entertain Harvard College here Saturday. The Pennsylvanians have always proved somewhat of a tartar for the farmers and Byrd is desirous of having his team at its best.

The remarkable punting of Brooke Brewer, the crack sprinter, during the last few games and in the Navy and V. M. I. contests especially, has been the talk of local football circles. Derrick, who played in the backfield last season, has demonstrated much strength at halfback for the Staters in the past few games and will likely be a fixture.

BILLY GOOCH BACK ON VIRGINIA SQUAD

University, Va., Oct. 26.—The Virginia team, which meets Vanderbilt in Nashville Saturday, will present a different lineup Friday, when it will take the field to defeat before Georgia on Lambsfield Field Saturday.

"Billy" Gooch, who has been out of the game ever since the Yale contest, has recovered from his injury and will be seen at halfback in the annual clash with Black and Gold. Jim White has again been shifted from quarter to left end and Carington is now running the team, with Wagenknight and C. White as capable substitutes.

Christington has had considerable experience at quarter, both on the Hampden-Sidney team and on the Virginia "scrubs" last year. C. White has been showing good form in the scrimmages, especially in yesterday's game between the "scrubs" and freshmen, when he ran thirty yards through a broken field for a touchdown.

SID HOLBROOK MAY PLAY. Likely to Take Part in Dartmouth-Princeton Contest.

Hanover, N. H., Oct. 26.—With the exception of Merrill all the star string men were back in the lineup this afternoon in the hard practice before the Princeton game. Sid Holbrook has a fine chance of taking part in the contest, but there is still some doubt as to whether Duhamel and Merrill will be in condition by that time. A squad of forty men will leave for tomorrow and practice on Ebbetts Field on Friday afternoon.

A monster mass meeting was held tonight, at which the songs and cheers were rehearsed and speeches made by Coach Cavanaugh, Capt. Gerrish and others. The number of tickets sold here already totals 400. It is estimated about 500 undergraduates will journey to New Jersey.

SHORT GRASS LANDS THE DIXIE HANDICAP

Emil Herz's Entry Beats Borrow in the Laurel Feature.

By GEORGE B. MORRIS.

Laurel, Md., Oct. 26.—Emil Herz's imported horse, Short Grass, took the measure of H. P. Whitney's Borrow in the Dixie Handicap at a mile and a quarter, the feature number on the program today at Laurel Park.

The race was worth \$1,650 to the winner. Only three stars went to the post in this event, Goldcrest Boy being the third horse.

Short Grass did not run his usual race by trailing in behind the leaders, but today he kept pace with Borrow for the first mile when the stretch was reached for the run home. Short Grass assumed an easy lead and won going away.

Hanabala was an easy winner in the second number, winning by two lengths from Lord Byron and Greenback. Lord Byron and Lord Byron both interfered with Kathryn Gray at the head of the stretch and she was completely knocked out of her stride.

Ambrose repeated his good race of Tuesday when he easily defeated Mr. Mack and Queen of Paradise.

Lady Teresa came to life in the closing race and won handily from G. M. Miller and Brave Commander.

BOSS OF PIRATES SAYS POLITICS RUNS GAME

Dreyfuss Hints Present Body Is Influenced by Wire Pulling.

Pittsburgh, Oct. 26.—A "general clean-up" is the "only solution" of the national commission evil which has been dominating organized baseball since its infancy, according to President Barney Dreyfuss of the Pirates, in a statement made here today. An entire new body is the Pirate owner's idea.

Dreyfuss' plan would take the commission control away from the big leaguers and place it in the hands of disinterested men, who could be depended upon to consider the interests of the minor leagues as well as the majors, and who would have no other motive in their deliberations than to get at the truth and facts in every case and hand down just and fair decisions in accordance with evidence.

In short, Dreyfuss would do away with the present system altogether and install not only a new chairman but an entire new commission of three competent and responsible men having no connection with any branch of baseball.

Joe Allen's Jensen team handed out the surprise in the Washington Herald Ducky League yesterday when they captured two of the three games from the Beewicks, while the G-men won the other two games from the crippled Roycefords.

Monty Brigham again led the field for the day with a 305 set, while J. Allen was next in line with 302. Charlie Johnson, of the Castons, put over the high game of 125. The results follow:
